

INFORMATION

CICA CRÈME

Cica-Creme is especially useful for maintaining the health and comfort of the skin under compression garments. Cica Creme provides a high degree of moisturisation and is especially suitable for the rehydration of exceptionally dry skin from any cause.

Cica Crème is non-staining and will not affect the performance or life of your garment.

Cica Crème should be applied sparingly and fully massaged into your skin both on donning and removal of your garment. Two applications per 24 hours are usually sufficient.

Cica Crème is available in tubes of 100ml or bottles of 500ml.

Cica Crème contains the following, do not use if you have a known allergy to any of the contents:

*Aqua-Cetearyl Octanoate-Butyrospermum Parkii-Rosa Canina-Propylene Glycol-Sorbitan ester-
Cetearylalcohol-Sucrose ester-
PPG-(15)-stearyl alcohol-Cylomethicone-Panthenol-Allantoin-
Bisabolol-Xanthan Gum-Imidazolidinyl Urea-Dimethicone-
Methylparaben-Propylparaben-Parfum-EDTA- Tocopherol*
